Criterion VI

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The Head of the institution has designed its vision and mission. To achieve these, the institution has framed micro-level objectives.

All the staff in the institution work effectively to improve the quality of education & accelerate the overall development of the students to achieve their goals. The institution has introduced skill-based courses like Spoken English, GST, Beautification, Light Music, etc.

The institution is generally focused on students' progress, is academically student-centric, and maintains its commitment to achieving its vision and mission.

Vision –

To create complete personalities through Value-based and career-oriented education

Mission-

Women Empowerment

Vision and Mission ensure the effectiveness of governance. Principal and IQAC monitor its strict implementation through HODs, staff and coordinators of various committees.

Management constantly working to empower women and give them a place in society. Management and staff work together to systematically plan and implement the organizational quality strategy. Under vision and mission, value-based traditional as well as vocational curriculum is recommended to all. New
